Dear Sir:

Pursuant to their duty of disclosure under 37 CFR §1.56, applicants again bring to the examiner's attention a publication that may be material to the examination of the above-identified application. Therefore, in compliance with 37 C.F.R. §1.97 and §1.98, applicants have enclosed a completed Form PTO/SB/08 listing the possibly pertinent publication.

A copy of the publication is not enclosed herein because a copy was provided in the Information Disclosure Statement (IDS) filed on October 4, 2004. The examiner did not consider this reference because the cited reference in the prior IDS did not contain a date of publication. The present Supplemental IDS includes the date of publication, and it is requested that the examiner indicate the publication has been considered in the next communication from the Patent Office.

If the examiner needs a new copy of the publication listed on the enclosed Form PTO/SB/08, applicants can provide such a copy.

It is submitted that no fee is due because this publication was previously submitted to the Patent Office for consideration. However, should a fee be due, the Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 13-2855, under Order No. 30766/40047.

Dated: February 4, 2008

Respectfully submitted,

By
